

Why KETMarket®?

World's largest
technology offer database

Most relevant funding opportunities
and knowledge resources

Efficient project management and
reliable due diligence structure

„As single entry point to EU's R&D facilities,
we provide small and medium enterprises easy access to
cutting edge technologies and reduce time to market for
new products by up to 50%.

We support investors in acquiring profitable DeepTech
investment opportunities knowing future tech trends and
providing access to most promising R&D spinoffs.

R&D institutes benefit from our large network of industry
and SME partners, our proven methodology for
technology transfer to the market and efficient
collaboration models.”
